EDIKIO PRICE TAG ACCESS

THE AFFORDABLE SOLUTION TO PRINT YOUR PRICE TAGS ON CARDS

Edikio Price Tag Access is an all-in-one solution to print great-looking price tags on cards. It is ideal for printing monochrome, single-sided tags in low volumes.

Made for beginner-level users, Edikio Price Tag Access includes everything needed to update and print price tags in a few minutes:

Edikio Access printer

Edikio Price Tag software Lite Edition

Consumables dedicated for use in the retail food industry*:
100 black PVC cards, credit-card format (85.6 x 54 mm / 3.37" x 2.13")
1 white ribbon for up to 500 prints

SOFTWARE FOR BEGINNERS

Thanks to the Edikio Price Tag Access solution, you benefit from the simple functionality of the Edikio Price Tag software "Lite edition" compatible with Windows® and macOS.

Create price tags in a **user friendly interface** with:

- An All-in-one view to have access to your card design and your list of items at a glance
- A wide range of images, pre-designed templates and sample database lists dedicated to your needs
- The exclusive Edikio Chalk font
- Tag holder footprint to visualize the mark of your tag holder on your card design
- A graphical wizard to import data from Excel files

It also contains **simple and useful features** like:

- Automatic detection of the updated prices since the last print
- Automatic refresh from an external database
- An easy tool to select price formats and currencies
- Backup & Restore function to save easily all your data
- Search toolbar with highlighted results
- An allergen tool to automate their display directly on your tags.
- Scoring tool to add, on your tag, a notation in the form of stars or circles.

Ideal for small retailers, such as:

Bakers, Butchers, Pastry chefs, Chocolate sellers, Cheesemongers, Fishmongers, Caterers, Wine merchants...
